

TTCC Girls Junior Cricket 2023

This year as a club, we are looking to put concerted effort and focus into our Junior Girls cricket and are looking to encourage as many girls as possible to get involved with the game and with TTCC. Our primary objectives for 2023 being –

- To provide a fun, safe, inclusive environment for Girls to enjoy the game of cricket, across all abilities.
- To encourage the introduction of girls more widely throughout the TTCC junior section, increasing mixed participation and representation.
- To have our first dedicated Girls teams representing TTCC in age group tournaments against other clubs.

Training Sessions -

To facilitate this, we are looking to provide as many training and playing opportunities for Girls as we can. As a Junior Girl member of TTCC you will have the opportunity to attend any of the following –

- **Girls Only – Dynamos + TTCC Girls** **Years 2 – 6** **Friday 5.15 – 6.15pm**

This is for all girls regardless of age (Yr 2-6) and ability. This will be a softball session, focusing on skill development, fun and building a sense of community amongst all the girls. This will include Girls who have registered through the Dynamo's program, plus any other TTCC Girls members.

- **Girls Only – Extension / Pathway** **Years 4 – 6** **Friday 6.15 – 7.00pm**

This will be an extension session for more advanced / confident players, focussing on developing their skills further and transitioning to hard ball cricket. These sessions will evolve over the course of the summer, with girls invited to join them when felt ready by coaches & parents.

Girls will also be invited to attend mixed sessions, boys, and girls, should they be keen to do so -

- U9's (Mixed) Years 2 - 4 Monday 6.00 – 7.15pm
- U11's (Mixed) Year 5 & 6 Thursday 5.30 – 6.45pm

The full season is scheduled to run from **Friday May 5th – Friday September 15th** (approx.)

What's next –

Hopefully, the girls have enjoyed themselves. We will send out further comms to everyone shortly (please fill in the contact information sheet if you haven't already) which will include more details and further clarity on membership options, etc.

Naturally, if you do have any questions, aren't quite sure if it's for you / your daughters, then please let us know. We'd be very happy to address and queries and chat anything through (details below).

As mentioned, we are very much at the outset here so are completely open to any ideas or contributions that you might have and would love to get as many volunteers involved as possible – so please do come forward and jump on board if interested.

First Dynamo's / TTCC Girls Training Next Friday – May 5th @ 5.15pm
